

JESUS IS FOR EVERYONE

Look at all the ways a candy cane can be used to show us God's story!

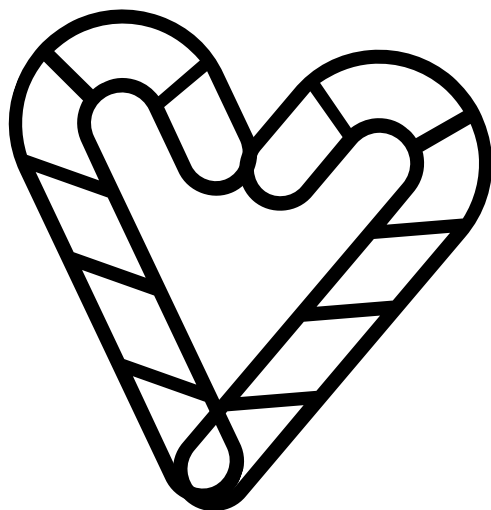

Jesus

If you turn the candy cane a certain way...it makes the letter J for baby Jesus!

A Shepherd's Staff

If you turn the candy cane a certain way...it helps us remember the shepherds-who were the first to visit Jesus.

The Heart of God

If you take 2 candy canes and put them together it makes a beautiful heart.
Remember that Christmas reveals the heart of God. He loves ALL people and gives the gift of His love.
