

# A GIFT FOR THE WORLD!

God gave us Jesus as a gift... a very special present. Today's activity will help you think about this gift.

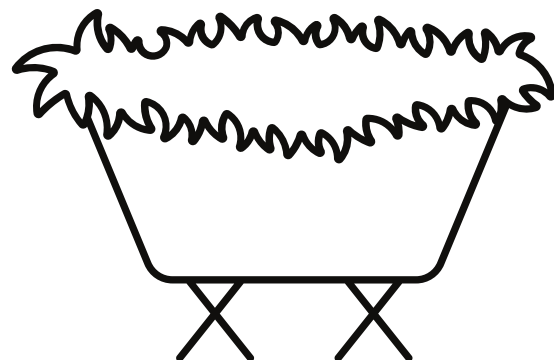

SURPRISE

In a way Jesus was a surprise--not what people were expecting. Draw a surprise face.

HUMBLE

This gift was not wrapped in fancy paper. Colour the manger. Draw in baby Jesus and remember that He did not come in a fancy way.

FREE

A gift is given to show love. When you give someone a gift you don't ask them to pay you back. Look at the hands and draw a present. God's gift of Jesus is free. He paid for it Himself.
